

Athens's Got Talent!

Hosted by The Cottage

April 20th, 2024

@1055 Barber- Epting Events

The trauma of sexual violence and child abuse leaves deep scars, and can have lasting effects on a person, which can lead to anxiety, depression, substance abuse and even suicide. But with emotional support and advocacy, survivors of abuse can heal and have healthy lives beyond the trauma. That's why The Cottage exists: to provide the services needed after trauma for survivors to heal and to thrive.

The Cottage strives to reduce the trauma and anxiety associated with child abuse and sexual assault during the reporting, investigative and healing process. We offer free legal and medical advocacy, as well as professional, trauma-informed counseling for people in the Athens and surrounding area, at any stage in the healing process. We depend on the support of businesses like yours so that we can provide these services free of charge to our community.

We know you share in our commitment to a healthy community, and that you care about survivors in working toward ending child abuse and sexual assault. That's why we are inviting you to become a sponsor of our fundraising event, Athens's Got Talent.

Athens's Got Talent will be held Saturday, April 20th, 2024 from 6pm-8:30pm at Epting Events 1055 Barber (1055 Barber St, Athens, GA 30601). All proceeds raised will benefit The Cottage to continue providing free and confidential services to child and adult survivors in our communities. Individuals and groups of all ages are invited to register and compete for Judges' Favorite and Audience Favorite awards!

Talents may include (but are not limited to): singing, dancing, instrumental music, skits, magic, comedy, martial arts, juggling, lip-synching, etc. Registration is open to anyone in Athens and the surrounding communities!

As a sponsor, you will enjoy promotional benefits and tickets to the event, as well as the good feelings that come from knowing you are part of the effort to help your friends and neighbors who have been affected by sexual violence and child abuse.

Thank you for your support of The Cottage so that we may empower survivors in their healing, and be a voice for change in our community.
